

Mounting Options

Angle Bracket

7/8" dia. Hole for PVC post

Quick Mount/Dismount

Attach wood block to top of roof with screws. Angle screw secures pvc post and provides a quick mount/dismount system.

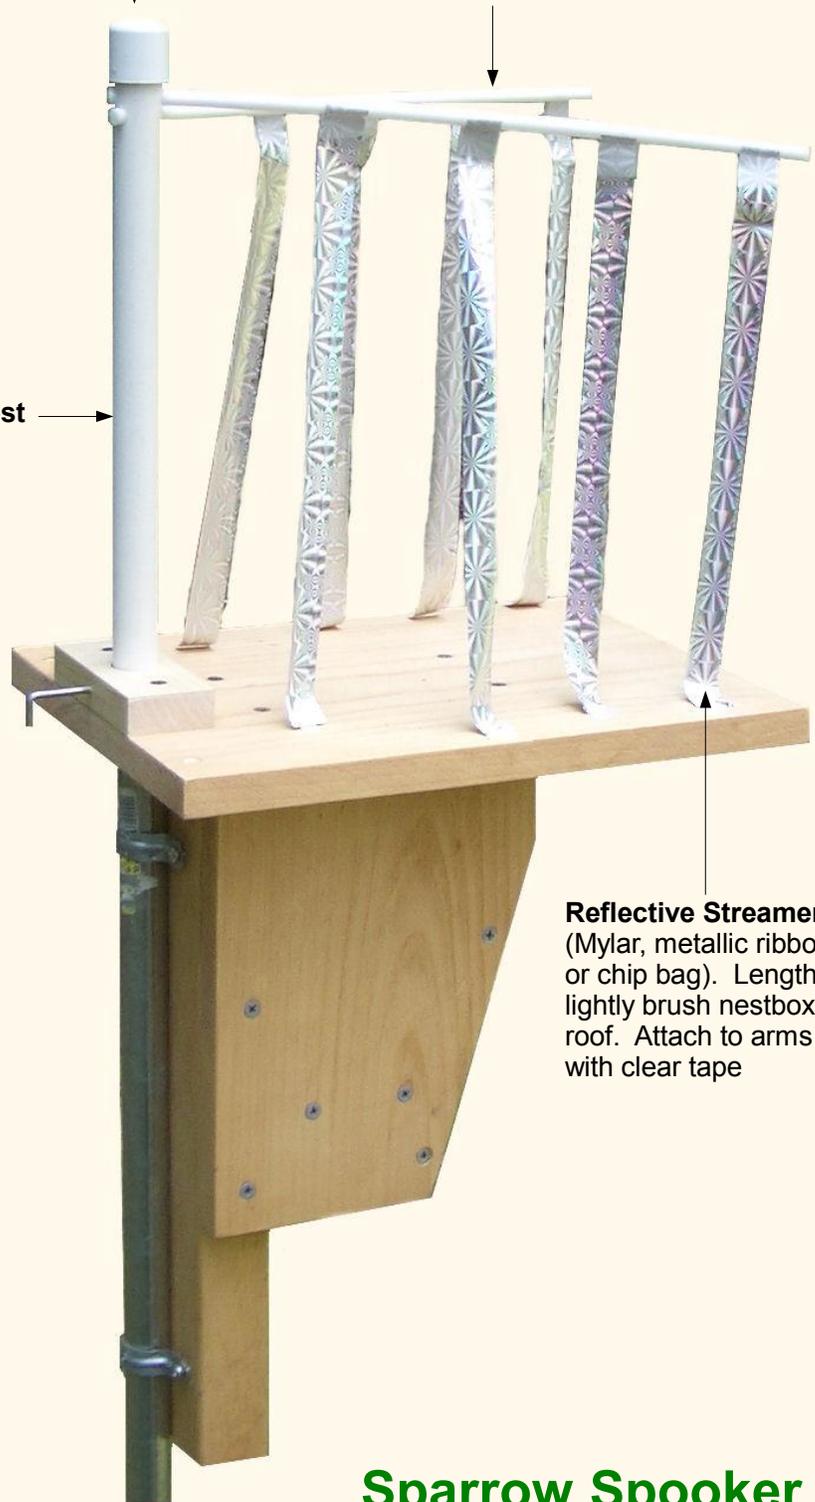

Wood Block

Attach wood block equal to dimension of roof overhang. Attach pvc post to block.

1/2" pvc cap

Streamer Arms

Cut from plastic coat hanger. Drill holes in PVC post and glue in place

1/2" pvc post
10" - 12"

Reflective Streamers
(Mylar, metallic ribbon or chip bag). Length to lightly brush nestbox roof. Attach to arms with clear tape

Sparrow Spooker

Install after first egg is laid and remove immediately after nestlings fledged.
